AMERICAN NUMISMATIC ASSOCIATION

Dear Fellow Collector,

It is with great pleasure that I invite you to join us at the ANA World's Fair of Money® in Pittsburgh, Pennsylvania on August 4-7, 2020. I am also very excited to offer you the opportunity to consign your coins, medals, tokens and paper money to Stack's Bowers Galleries Official Auction at this year's August gathering, always known for being the largest and best attended convention of the year. The Stack's Bowers Galleries August 2020 auction continues a tradition begun with the very first ANA Convention auction, held in New York City in 1939.

Since that historic beginning, Stack's Bowers Galleries has continued to maximize this prime venue to produce record-breaking results and showcase landmark rarities and well-known name collections, as well as featuring items from every collecting interest and price range.

Stack's Bowers Galleries' expert staff is world renown, the firm's catalogs have garnered numerous awards and their auctions have set price record after price record. Among their record-setting sales are the D. Brent Pogue Collection that realized over \$137 million, and the Joel R. Anderson Collection, which has brought over \$40 million to date. Already, Stack's Bowers has sold three of the four coins that have crossed the million dollar mark this year. Their preeminent position in the hobby has earned them the trust of the most astute collectors, dealers, museums, and fiduciaries worldwide.

Most recently, the firm reports that their March 2020 Auction exceeded expectations bringing over \$37.5 million and set many price records during a time of great uncertainty. Stack's Bowers Galleries was able to maximize use of their industry-leading and award-winning technology, as well as provide the comprehensive customer support that enabled bidders to participate robustly in the auction.

In addition, your collection or individual pieces will receive the same expert catalog descriptions and photography that have resulted in countless NLG Catalog of the Year awards over the decades, including last year's awards for both Best U.S. Coin Catalog and Best U.S. Paper Money Catalog. The firm's website, voted Best Dealer Website by NLG in 2019, offers not only user-friendly auction archives, but also high-resolution images of all auction lots, access to important bidding resources, and easily downloadable pdf catalogs. To all of their leading edge technology can be added Stack's Bowers Galleries' exceptional customer service, including providing personal consignment plans, offering phone descriptions, and executing bids placed by phone or mail. History has shown that Stack's Bowers has the expertise and the tools to achieve the optimum results for your consignment.

The sale of your numismatic treasures is sure to benefit from the industry-leading services that Stack's Bowers Galleries can provide to every consignor. In addition, cash advances are available for qualified consignments.
